

Report Many Cases of Rheumatism Now

Says we must keep feet dry; avoid exposure and eat less meat.

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also organs of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid, which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia water, drink which overcomes uric acid and is beneficial to your kidneys as well.—Advt.

FATHER KNICKERBOCKER MAKES HOME COMPLETE WITH YE OLDE TOWN BELL

New York's Emancipator Will Announce the Hour and Unusual Happenings.

New York City is to have a town bell, something of which, in its long hike through the centuries from village to metropolis, it could never before boast.

Father Knickerbocker's town bell is to be a 1,500 pound bronze baby. It will be smuggled up close to the clock that is to grace the new cupola atop City Hall. When the seven hour arrives an electrical contrivance in the clock will communicate that fact to the bell.

Borough President Frank L. Downing is responsible for the idea of hanging a bell in City Hall tower. The bell to be used has been the property of the city since the section north of the Harlem River was annexed. Before then it used to tell the people of the village of Tremont when a fire or some equally exciting event broke the monotony. When the Bronx was annexed the bell became city property. It is 37 inches in height and 42 inches in diameter.

The only other downtown bell that religiously calls forth the hour is in Trinity Church. There was a time when St. Paul's used to ring the time, but the voice in that steeple is now silent save when it tolls a parting with some old parishioner.

Therefore City Hall's town bell will "cover" the district north of Wall Street. Its range will be at least a

mile in daytime and two miles at night.

Borough President Downing calls the new bell the "peace bell," because, he explains, it will be ready to be rung July 4 next. By that time, Mr. Downing hopes, the world will have been made safe for democracy.

LONG CHASE ENDS IN COURT.

Rabbery and Pursuit Kept Harlem Police Busy; Boy Held.

Louis Kahn, twenty years old, of No. 1481 Madison Avenue, was held in \$2,000 bail by Magistrate Koenig in Harlem Police Court this morning, charged with robbery. For more than an hour last night Kahn gave the police a merry chase.

According to Herman Siedelman, who keeps a delicatessen store at No. 1824 Lexington Avenue, Kahn, accompanied by three other men, entered his store at 11 o'clock last night and made a few purchases. While his back was turned, he says, Kahn drew a revolver and robbed him of \$124 and a signet ring. In the meantime the other three looted the cash register, getting \$50.

Siedelman saw the robbers running west on 117th Street. The four arrested, but Siedelman, blowing a police whistle, followed Kahn. When Police Officer Foley arrested Kahn he had a loaded revolver and \$124 in bills.

Dandruff Surely Destroys The Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.—Advt.
